Aims of the Plangon Doll Club

To promote a love and understanding of dolls in a friendly atmosphere where members may meet and discuss their hobby and exchange information and ideas. We are also able to share our collections with other members through the "doll of the month" segment, monthly displays, show and tell and of course, our annual fair.

One of the primary aims of the Club is to support charity, and our greatest efforts are directed to our annual fair event. All proceeds from this event are donated to the charity chosen for that year.

The Meaning of Plangon

“Plangon” was an ancient Greek word originating in the days when women were not permitted to act on stage, and a waxen figure (“a plangon”) was used. This eventually evolved to mean a smaller humanoid figure (dolls and playthings).
